## ALL ARE WELCOME

*If you love truth, authenticity and diving into the soul, you will love this new book!*

**Definition of a LOVE DOG:** Rumi, the 13<sup>th</sup> century Persian Mystic, coins the term *love dog* in his ecstatic poetry. A *love dog* is someone for whom the unseen world is CENTRAL. This is the world of love, communion, inspiration, compassion, tenderness, truth, authenticity, emptiness and the Divine rather than the world of creating victory over another, deception, being right, or amassing fortune and power. This book is a map for all of us: Rumi lovers, spiritual seekers, and those simply desiring richer lives, to continue along the path of emotional maturity and spiritual integration. Patricia invites you, within the pages of this book, to become a *love dog* as you enter more deeply into the inner landscape of your own soul.
